LB 154, 208, 271  
LR 57

SPEAKER NICHOL PRESIDING

SPEAKER NICHOL: (Microphone not activated.)...please return to the Chamber soon and record your presence. We have an important resolution to take up.

CLERK: There is a quorum present, Mr. President.

SPEAKER NICHOL: Do you have anything to read into the record, Mr. Clerk?

CLERK: Mr. President, Senator DeCamp has amendments to 154 to be printed. Attorney General's Opinion to Senator DeCamp on 208. And LB 271 is reported correctly enrolled, Mr. President. (See pages 2279-81 of the Legislative Journal.) That is all that I have.

SPEAKER NICHOL: May I introduce some guests in the south balcony, please. Senator Remmers has 12 third and fourth graders from the Douglas Community School in Douglas, Nebraska, accompanied by their teachers. Would you folks please stand and be recognized. Also Senators Chizek and Hannibal have some guests in the south balcony. There are 44 fourth graders from Oak Valley School in Omaha, Nebraska, accompanied by their teachers. Would you folks please stand. Thank you for visiting the Legislature this afternoon. We also have further guests, but I don't have a record as to who you are. If you would let one of the red coats know, why we would be glad to introduce all of you, not individually but as a group. I think we'll move on with number 7, the motions on the retrocession. I would hope that we arrive at a culmination of this somewhat this afternoon so that Senator Pappas will have some idea as to where he stands. Mr. Clerk.

CLERK: Mr. President, Senator Pappas has moved that LR 57 be revived notwithstanding the action of the committee. The resolution was originally introduced as found on page 749 of the Journal. The resolution was referred to committee for public hearing. The Judiciary Committee conducted that public hearing. The resolution was indefinitely postponed. Pursuant to that action, Senator Pappas filed his motion on May 8. His motion is found on page 2190 of the Journal, Mr. President.
